

Dr Ulhas Kharul makes us proud!

It is great pleasure to inform you that Genrich Membranes Pvt. Ltd. (www.genrichmembranes.com), a start-up company that has come out of PSE Div and promoted by Dr Ulhas Kharul based on his oxygen enrichment membrane technology has bagged the Wish Healthcare Innovations Summit-2016 Award as the "Most Promising Prototype of Scale Up". The function was held at India Habitat Center, New Delhi on 17.02.2016.

The company has come out of the Lab2Mkt program of Venture Center.

Congratulations, Ulhas and Congratulations to Venture Center team!
